TOTAL Oil Pricing

Please note: The Total Lubricants bulk oil price increase that was scheduled for July 26th, 2010 has been delayed until September 1st, 2010. Oil pricing will remain constant for the month of August. Packaged oil pricing (1L) will also be extended until further notice. Please refer to special net prices printed in June 2010 publications.

ACDelco® Dex VI Transmission Fluid now Available

ACDelco is now distributing Dexron VI transmission fluid in their bulk oil program. This product will follow the same terms as other ACDelco grades and will count towards all BDF/oil contracts.

Part Number	19285753
Viscosity	Dexron VI

This product is being transferred through the Shell program and minimum order quantity is only 200L.

ACDelco® Synthetic Blend Engine Oil

ACDelco will introduce **dexos1™**, a new global engine oil specification for gasoline and E85-fueled vehicles, in all 2011 model year Chevrolet, Buick, GMC and Cadillac vehicles. The new oil has been developed to keep engines cleaner, improve efficiency and maximize engine life. **dexos1™** is backwards compatible to older vehicles and is a suitable oil for pre-2011 GM vehicles (excluding Diesel vehicles). GM has introduced the dexos1™ specification because it offers several advantages.

dexos1™ quality engine oils provide improved levels of:

- Engine cleanliness
- Corrosion protection
- Sludge control
- Wear protection
- Aeration control
- Fuel economy

These will result in improved engine life and performance.

It is anticipated that this product will be available in 205 Litre drums in September, 2010. Packaged product in a 1 Litre size is expected to be available in the October/November 2010 time frame.

Blue Streak Packaging changes

Blue Streak has integrated their heavy duty “Blue Streak” brand with their premium “Standard” brand. This rebrand will reduce the amount of part numbers required for complete coverage and ensure the highest quality product comes in the box. This integration will be a running change and is applicable for domestic products only.
