## **Trailer Hitches and Accessories**

### Introducing CURT Manufacturing

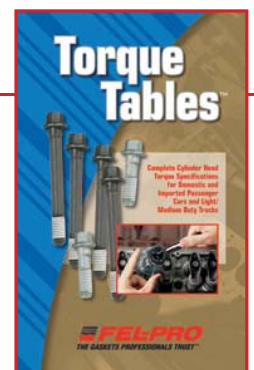

A new line of Towing products and accessories is available to you through the Canusa warehouse. When it comes to hauling, CURT delivers high-quality products that you can count on. From their amazingly quiet 5th wheel hitch to ultra-strong receiver hitches, CURT products create the beefy bond you need for all of your towing missions. Contact your sales representative for more information.

## **Cylinder Head Specification Guide**

The Torque Tables book is now available.

The popular Torque Tables cylinder head specification guide is now available for download. Register at [www.felpro-only.com](http://www.felpro-only.com) and receive monthly updates on Fel-Pro gaskets, tech bulletins and industry news items.

## **Now Available**

Ask about our BAYCO in-store display. This Planogram comes with the 23 different lights strategically placed to entice your customers to pick up the lights ultimately turning more sales. Orders of the entire assortment save 10%. A Bayco representative will be available for installation and marking the shelves to help with inventory control and easy maintenance. For a list of part numbers and a diagram of the display contact your local sales representative.
